

## Maine Region

# Southern Section Chief Report

To: Dan Pascucci Regional Director

From: Wayne Arsenault Southern Section Chief

Subject: Southern Section Chief Report 2016/2017

I would like to submit my annual report for the Spring 2017 Regional Meeting.

As the Southern Section Chief I traveled to Shawnee Peak, Mt Abram, Sunday River, Black Mtn, and Camden Snow Bowl.

Points of interest and talking points on each visit:

- Training
- Programs and supporting the programs offered
- Supporting our main programs of OEC and S&T
  - Along with YAP, MTR, ID, Enhancement Course, women's clinics etc...
- Supporting the Maine Region Staff and looking for support and opening doors for Maine patrollers that could be interested in a position on helping our in general.

The visits were well-received and very insight full from my point. In asking questions on what can the Maine Region do for you and your area? They basically stated keep up the communications and programs. I have always found these trips to be very beneficial.

I conclude this report and respectfully submit this report for the Spring Regional Meeting.
