John T. Gyger Outstanding Maine Region Instructor Award –

I am looking for nominations for this coming years recipient and will send out nomination form to all PD's and Patrol Reps. After today's meeting if you have a nomination please let me know.

Again, Patriot Star qualification has changed to include anyone who has been in the military and has a Discharge Doc. Which may open it up to additional people in Maine Region as we have a high number of people in the reserves.

Also looking for EDPAA nominees and any other categories you would like to see receive an award.

Respectfully submitted,

Denise Pascucci
